

Einladung/ Invitation „FEIN e.V Colloquium“

(For Members and Guests of FEIN e.V. – Cost free)

Tuesday, 9th July 2019 at 15:15
Mathieustraße 10, Aachen
E.ON Energy Research Center - Room 00.23

Speaker:

Dr. Junqi Liu

Dr. Junqi Liu is ACS Alumni and as FEIN e.V. Guest speaker he will talk about:

**“Recent development and outlook of energy innovation
from an industrial view”**

Short biography of the speaker:

Dr. Junqi Liu was with the Institute of Automation for Complex Power Systems as a research associate in 2009 - 2014. He is currently a Senior Manager in Corporate R&D of Energie Badenwürttemberg AG and responsible for future oriented technology and business development for topics like smart infrastructure, smart cities and digital cities etc. Before that, he gained several years of professional experience in innovation projects in a German DSO and as a co-founder in a startup for smart energy solutions in international fields.

The presentation will be in English and followed by a discussion and get-together.
We hope to see you all in this Colloquium.
